

DAEMONCORE // 8.0

ONE METHOD. TWO WAYS IN.

Start with a free practical Academy. Graduate into FieldOps when your work needs authorization, evidence, and client-ready delivery.

FREE

ACADEMY 8.0

Learn by doing.

Hands-on lessons, practical exercises, isolated ranges, evidence-led progression, and an offline-first desktop experience.

81

CYBERSECURITY FUNDAMENTALS

82

LINUX, NETWORKING, WEB SECURITY

83

INCIDENT RESPONSE AND FORENSICS

84

DISPOSABLE LABS AND RECORDED OUTCOMES

\$199 ONE-TIME

FIELDOPS PRO

Operate with proof.

A controlled professional workspace for authorized assessment, managed execution, sealed evidence, findings, retests, and reporting.

81

SCOPE-BOUND EXECUTION

82

WEB / API WORKBENCH

83

EVIDENCE AND FINDINGS CHAIN

84

PROFESSIONAL EXPORTS AND RETESTS

THE DAEMONCORE DIFFERENCE

Not another video library.

The platform is designed around a loop: understand the boundary, make the smallest useful move, collect evidence, explain the result, and improve the control.

ACADEMY IS FREE // FIELDOPS IS OPTIONAL
